

# FIBER OPTIC CONNECTOR CLEANER

OptiClean

## DESCRIPTION

PhotonicsHome™ Fiber Optic Connector Cleaner is a useful tool for keeping fiber-optic connectors in good condition. It allows users to clean the connectors without needing alcohol or solvents. This cleaner is designed to effectively clean the connectors without causing any damage or scratches.

## FEATURES

- For all kinds of simplex or duplex connectors
- Compact and one-handed design
- Dry-cleaning without alcohol or other solvents
- Replaceable cartridge with 400+ swipes
- Automatic fixed length of cartridge, no cross-contamination concerns
- Complied with IPC8497-1, guaranteed cleaning performance
- ESD-controlled fabric complied with DIN54345:1995, no electrostatic transferring issue

## APPLICATIONS

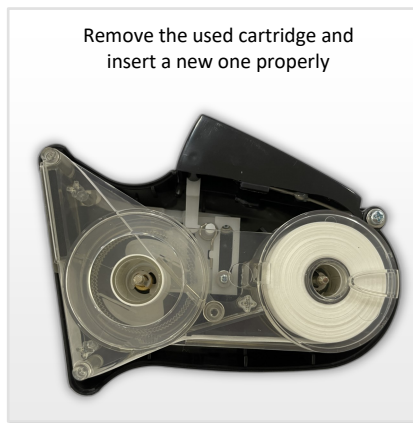

- Fiber optic connector end-face cleaning

## USER-FRIENDLY

## CARTRIDGE REPLACEABLE

Note : Specifications are subject to change without notice
